

WE ARE LOOKING FOR
**MENTAL
HEALTH
WORKERS**

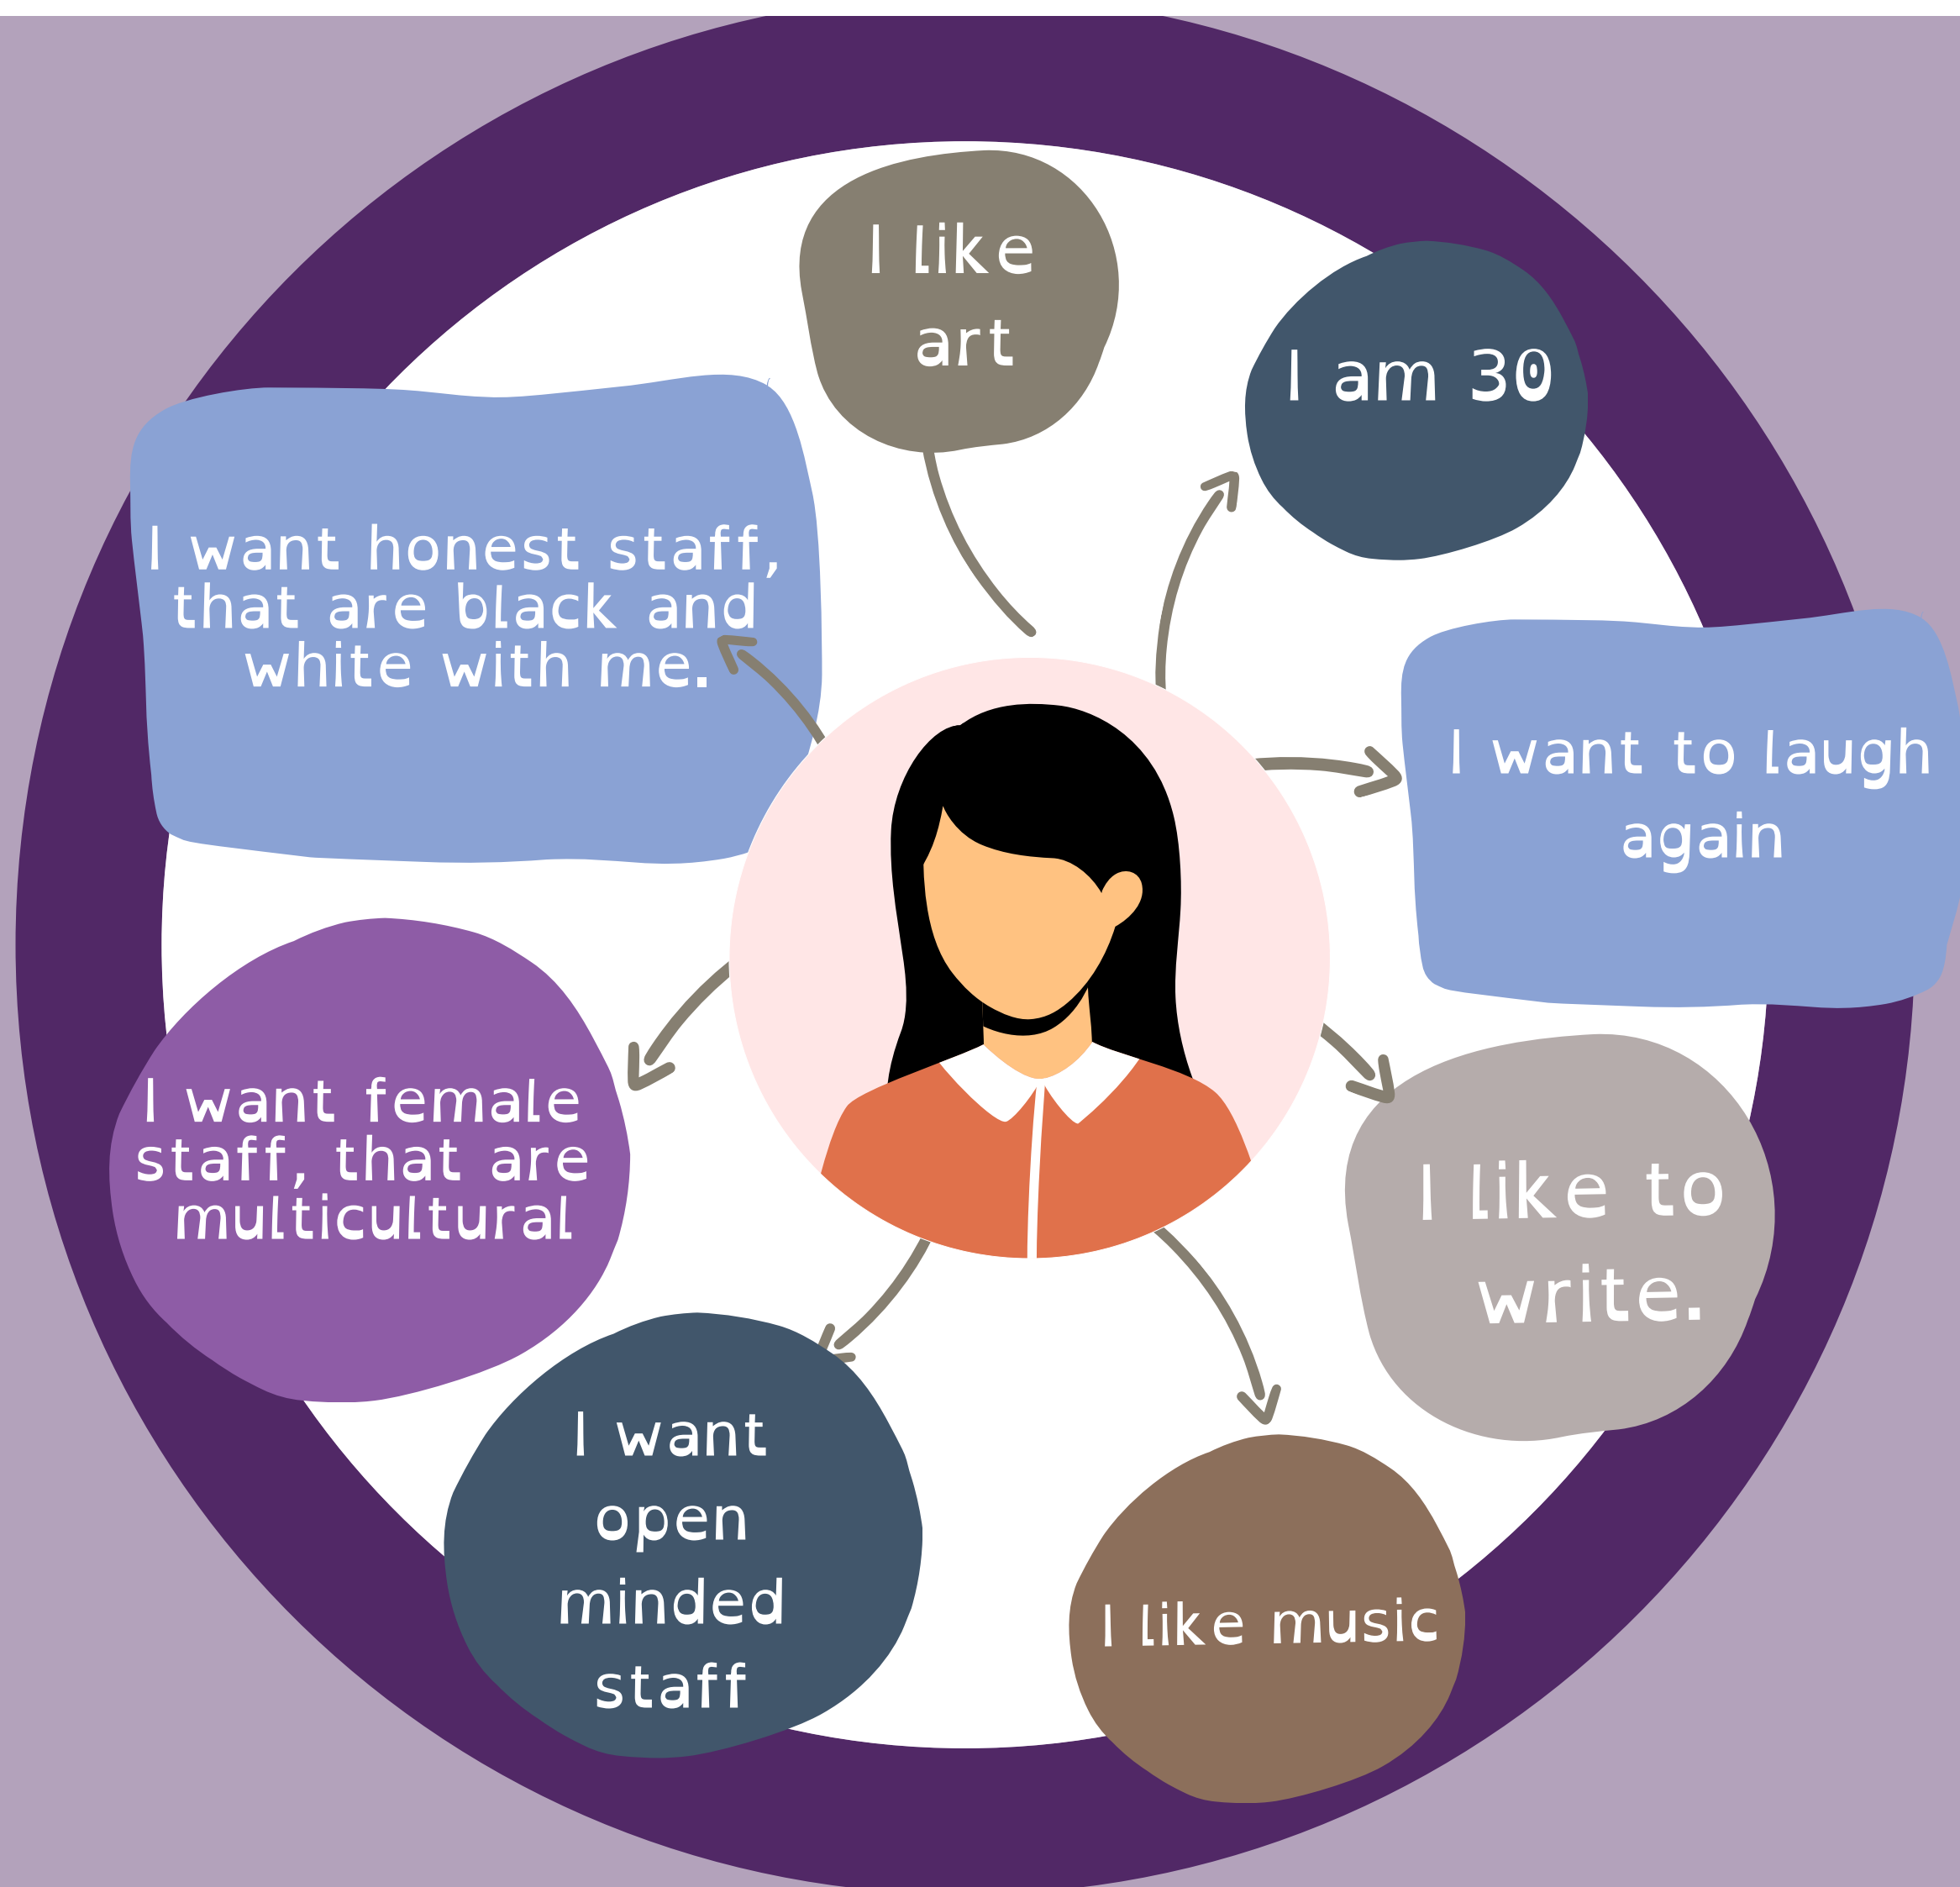

SOUTH LEEDS

We are recruiting for a team of staff with good values, passion to develop skills and knowledge, and a positive character to provide therapeutic support to a lady who has a Emotionally Unstable Personality Disorder. Our goals with this lady is to improve her quality of life, and re-open accessibility to the community.

You do not need previous qualifications, complete and specialist EUPD training is provided specific to this role. 80-100 hours of training is provided before any solo shifts.

This includes all mandatory training certificates, qualifications, shadowing and internal training.

We recruit specifically for the people we support and they are involved with this process. So here is what this lady likes, and what is important to her.

Full time, part time, and bank shifts available.

If you are interest in this role, email
